The Ahalia Campus is being developed as a comprehensive Health City, offering integrated healthcare solutions and multidisciplinary education. Surrounded by lush greenery and a peaceful environment, the campus provides an ideal setting for both learning and healing.

Located just 5 km from Kanjikode Railway Station and 24 km from Palakkad Town, Ahalia offers excellent connectivity while maintaining a tranquil atmosphere conducive to academic and personal growth.

WHAT IS NURSING?

Nursing is a dynamic and essential healthcare profession dedicated to the care of individuals, families, and communities, with the objective of promoting health, preventing illness, and maintaining or restoring optimal health and quality of life. Nursing practice integrates scientific knowledge with compassionate care, employing critical thinking, clinical judgment, and skilled interventions to address the holistic needs of patients.

Registered nurses can perform a wide range of services including **health promotion, disease prevention, treatment and rehabilitation, and palliative care**. Their role is crucial in all phases of patient care—from initial assessment through recovery or end-of-life support.

GLOBAL DEMAND AND CAREER OPPORTUNITIES

Nursing is recognized worldwide as a profession in high demand. With the continuous expansion of the global healthcare sector, the need for qualified nurses is ever-growing. As a result, pursuing a nursing degree ensures a secure and rewarding career path with diverse opportunities both in India and abroad.

Upon successful completion of the BSc Nursing programme and registration with the State Nursing Council, graduates are eligible to work in various settings such as:

- » Government, Private, and Corporate Hospitals
- » Primary Health Centers and Clinics
- » Specialized healthcare units and departments
- » Home healthcare services
- » Corporate health wings
- » Research projects and health campaigns
- » Academic institutions such as Schools and Colleges of Nursing

EXPANDING ROLES IN MODERN HEALTHCARE

In today's evolving healthcare landscape, the scope of nursing extends beyond hospitals. Nurses are increasingly engaged in:

- » Outpatient Departments (OPDs) and smaller clinics
- » Home care for personalized health services
- » Field assignments during sports events or public health outreach
- » Health departments in corporate organizations
- » National Defence services (Army, Navy, Air Force)
- » Disaster relief and medical camps

HIGHER EDUCATION AND SPECIALIZATION

Graduates of the BSc Nursing programme have the opportunity to pursue **higher education** such as:

M.Sc. Nursing

PhD in Nursing or allied fields

They may also opt for **specialized postgraduate diplomas or degree programmes** in the following areas:

 **Cardio-Thoracic Nursing**

 **Critical Care Nursing**

 **Emergency and Disaster Nursing**

 **Operation Theatre Nursing**

 **Neuroscience Nursing**

 **Neonatal Nursing**

 **Orthopaedics and Rehabilitation Nursing**

 **Oncology Nursing**

 **Midwifery and Obstetric Nursing**

Nursing is not just a profession—it is a commitment to serve humanity with knowledge, empathy, and integrity. At Ahalia College of Nursing, students are empowered to become competent, compassionate, and confident healthcare professionals who can make a difference in people's lives across the globe.
